SASM would like to invite you to join our initiative to support World AIDS Day on the 1st December 2011

As part of our Corporate Responsibility SASM selected a local Orphanage, based in the Valley of 1000 Hills, Botha's Hill, Durban. This is a needy community, severely affected by HIV/AIDS.

OrphanAid (division of Heart to Heart) is a nonprofit organisation (025-063-NPO) and supports 160 AIDS orphans and reaches out to between 250 and 300 vulnerable other children, destitute families, for example: grannies (Gogos) and other HIV/AIDS infected and affected people. <http://www.orphanaid.co.za/>

How can you help?

Create AIDS Awareness within your company by purchasing our AIDS Awareness posters (set of 6 A3 laminated posters) @ R 750.00 (Excluding VAT). For each set purchased SASM will donate R150.00 on behalf of your company to OrphanAid. All money received will be verified by our Auditors, and handed over to OrphanAid on World Aids Day on the 1st December 2011. SASM will print a certificate with all contributing Companies Logo's, which will be presented on the same day, and will be published on our Website
